Setting the World on Fire for Christ - One Heart at a Time!

www.TrumpetandTorch.org

My beloved child, how I long for us to spend time together! I miss you. I've been knocking on the door and waiting patiently for you, but you won't answer. You seem to be very busy with and distracted by the things of this world. I've noticed you are deeply burdened, which makes Me very sad. I did not create you to carry these burdens. I never intended you to desire anyone or anything else but Me. I love you so much, but something else has captivated your attention.

I remember when we first met. You desired to spend time with Me! You shared the story of how we met with so many others. You didn't care what they thought, but you longed for them to know Me just as you did. The hours are ticking away, and I long for that time with you again.

I've heard your cries. I've seen every tear. I've watched every struggle, and My heart aches. I'm right beside you; I dwell inside you. I am close to your heart, but you won't let Me in. How I long to comfort you with My Word. Oh, that you would have eyes to see and ears to hear! Can you hear Me whispering to your heart?

That is why I am sending you this letter; I can not stand to watch any longer. I am jealous for time with you. I bought you with a price, and you have sold out to someone else. I took the shackles off your feet, yet you are enslaved to a world that is not your home. I love you too much to leave you as you are. So, I am coming for you. Remember that I said I would? I left to prepare a place for you, and it is almost ready.

What have you been doing, my Bride, my love? I left you behind to make the necessary preparations. I asked for you to be ready and to wait for My return, but you haven't been waiting. You haven't been watching. You are not prepared. The time is upon us, but you are not dressed.

I know you can not do this on your own, so I will help you. I will purify you. I will prepare you. Come to My Temple and dine with Me. Sit at My feet, and allow Me to wash yours. Open wide your mouth, and I will fill it. I know exactly what you need. You have not spent enough time with Me to know what is best for you, but I do. Come to Me and we will make up for lost time.

I will meet you in My Temple at www.trumpetandtorch.org on February 6th. For 40 days, I will feed you, but you must show up to every meal: breakfast, lunch, and dinner. The time of day you meet Me is up to you, but do not miss our appointment. I will be waiting. Come empty or full; I will feed you. My Word is your food. My Word is living and active. My Word will do the necessary work in your life to eliminate all that is keeping you from Me. My Word is the Truth. There is nothing else you need.

Do not miss this Divine appointment. All you have to do is show up. I will do all the work. If you allow Me, I will astound you with wonder upon wonder. You will find out things about Me that you never knew. You will experience an intimacy with Me that you never dreamed possible. In the end, you will desire nothing but Me! That is how I planned it to be.

Your invitation is waiting at www.trumpetandtorch.org. Please RSVP by registering your name. I know your name; you're the guest of honor on my list! I pray you will join Me at My table in the Temple for every meal -- every day for the next 40 days. I will feed you from my Word, and I will fill you to overflowing. Come sit with me, my beloved child. Return to me, and I will return to you.

I have not left you nor forsaken you. I have loved you with an everlasting love,

Your Heavenly Father

HERE I AM!
