

Children of Tanzania

Tanzania is a country in eastern Africa. A traditional meal in Tanzania is engurma (a thick porridge made from maize). Other typical foods include meat, beans, and milk from the family cow. It is a religiously divided country. Please pray that all who live there become aware of the Lord's love for them!

Devotion: God loves you all the time! Even when you make mistakes, even when you don't do the right thing, even when you don't spend time with Him, God still loves you. Isn't that wonderful to know? Read the 13th chapter of 1 Corinthians, substituting the name of God every time you see the word 'love'. That will give you a good idea how much He loves you. Remember to show His love to others, and don't forget to tell them how much He loves them, too!

All

Decorate the heart and give it to someone you love. It would be especially loving to give it to someone who doesn't yet know Jesus!

Daily Bread:

*"Love is patient,
Love is kind."*

(1 Corinthians 13:4)
