

Children of Jordan

Jordan is an Arab country in western Asia and it borders the country Israel to the west and also shares the coastline of the Dead Sea. One of the typical dishes the children of Jordan eat is Shurba - a soup made from yogurt, rice, onions, and pasta.

They also eat a type flatbread called Khobz.

The majority of the Jordanian people follow the Islamic religion, more than 90%. Pray that God will speak to the people of Jordan and that they will listen to His voice and begin to follow Him.

Find the lost sheep!

I'm here my little sheep. Don't be afraid.

Yeah, I hope he gets here soon!

I heard his voice too, man, that makes me happy!

I heard his voice! Did you?

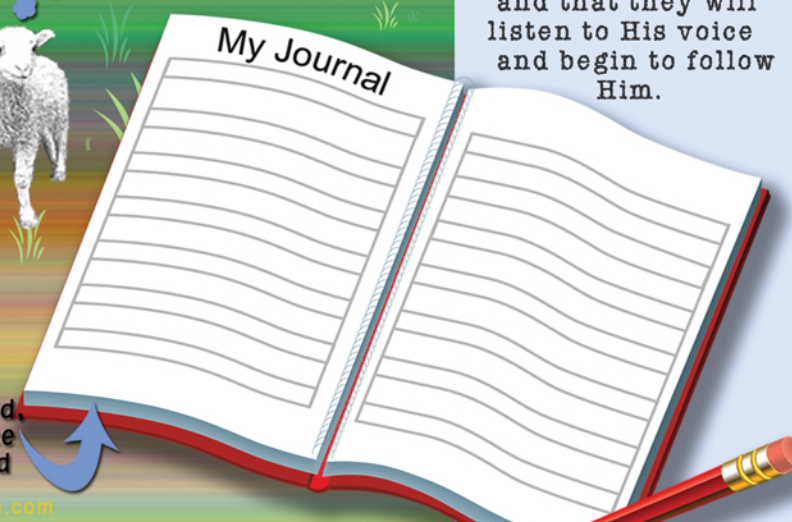

# Listen

Devotion: Have you ever had a hard time making a decision, or maybe your friends want you to join in doing something you know isn't good for you? A lot of times, in those exact moments, we may feel like we are all alone struggling with what we should do. What should we do? Talk to God right then! He is right there with you and He is always listening. Not only that, but God will guide you and direct you in the RIGHT way to go. God will never lead us to do something wrong! In your listening, know that God speaks to us in many ways: In His word, the Bible, when you pray and talk with Him (stop to listen and you'll begin to recognize His voice - it always, always wants you to do what is right and good), through your Mom and Dad or other family, through songs we sing to God, even friends who know God can help us make wise choices. Be still and listen for God, He is speaking to you and when you hear Him then do as He says, He will be pleased!
