

What TO Wear

Devotion: What matters more? What you look like on the outside or what you are like on the inside? If you went and played in the mud and then put on your best outfit, would you fool people into thinking you were clean? It doesn't matter how cool our shoes are or how expensive our jeans are; what

really matters is how clean we are on the inside. People can tell if we are really righteous by how we act. Pray to God and ask Him to clothe you in righteousness and kindness.

Day 22

Children around the world

Children of Vietnam Vietnam is a country in southeast Asia. A typical meal in Vietnam is Pho (rice and noodles), vegetables, and sometimes chicken. Vietnamese children also eat fruit like limes, bananas, plums, apricots, guavas, and jack fruit. Most of the people in Vietnam practice Buddhism, but 8% of the population are Christian. Pray that these Vietnamese Christians will be a light to lead their fellow countrymen to Christ.

Color in the kids above and make them look like you and your friends.

Activity: Go to www.makingfriends.com and create a paperdoll. Then, using the dolls, you made, act out ways to please God.

Record in your journal your favorite thing you did, or saw, or ate today. Write down someone you would like to pray for.

“Rather, clothe yourselves with the Lord Jesus Christ...”
