**Daily Bread:**  
 "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."  
 Galatians 6:9

**Devotion:** Have you ever struggled to finish something that was hard to do? Whether it was long race, a never-ending report, or one hundred math problems, it felt good to finally reach the end, didn't it? We also need to persevere in our spiritual life. Even when we're sick or tired, it is still important to be kind, put others first, and do the right thing. We might not always be rewarded for this behavior here on earth, but we know that we'll receive our reward in heaven.

Children around the world

Children of Japan  
 Japan is an island nation of Asia. Children in Japan typically eat sashimi (raw fish) and seaweed, vegetables, and rice. Japan has one of the largest economies in the world. Most people follow the Shinto and Buddhist religions, and Christians are a minority of the population (0.7%). Pray that the Japanese children will come to know Jesus.

Cliff climbing:

1. Find a friend. Find a coin.
2. One person be heads, the other be tails.
3. Find a small object to use as your game piece.
3. Take turns flipping the coin. When it lands on your side, move up. If it doesn't land on your side, your friend gets to move up.
4. Whoever gets to the top of the cliff first wins!

Record in your journal your favorite thing you did, or saw, or ate today. Write down someone you would like to pray for.
