

Taste & See

Children of Italy
 Italy is a peninsula in southern Europe and also includes the two Mediterranean islands of Sicily and Sardinia. Italy has a rich history and has contributed much to our culture. One of your favorite foods, I'm sure, pizza, originated in southern Italy. Other yummy Italian dishes include pasta; risotto, a rice dish; gnocchi, potato dumplings, and polenta, which is made from ground and boiled cornmeal and is similar to grits. The majority of Italians are Christian, with most being Roman Catholic. Pray that Italian children are eager to nourish their spirits with the food of God's Word.
