

♥ Learning to be Holy

List ways you can use your body to show love and glorify God.

Day 31

Children around the world

Children of Russia

Russia is the largest country in the world because of its area. It borders the Arctic Ocean to the north and much of its climate is either too cold or too dry. You would wear a heavy wool coat and a big fur hat if you were visiting this country in winter. The capital of Russia is Moscow. Children from Russia, eat pancakes too, but they call them "bliny" and they eat them with sour cream and a cup of tea. Many missionaries go to Russia to share the message of Jesus Christ because many people are non-believers. Pray for those who are sharing Jesus' love with our Russian neighbors to be encouraged and for the hearts of the Russian's be opened to received Jesus as their Savior.

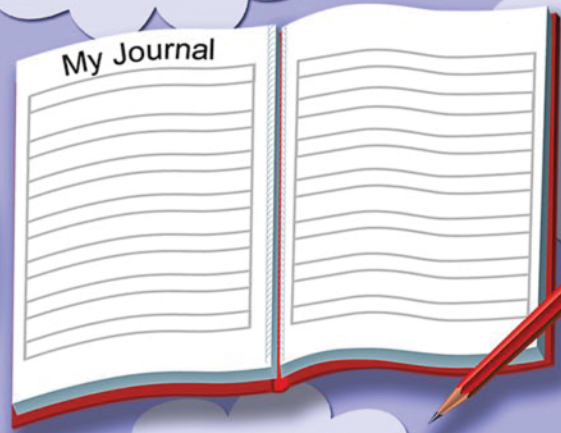

When you become a Christian, you become a new creation. As a new child of God, you are now set apart (or reserved) for His special work. Your job is to show others His love. While doing this assignment, you become more holy, as you surrender more and more of yourself to God. Don't misunderstand, people cannot make themselves right with God by doing good deeds, yet God expects Christians to live holy lives. How do we do that?

The Bible tells us that we should give our body to God, as a living, holy sacrifice. Jesus is our example; He used His hands to heal, His mouth to teach, and His heart to love. Finally, He gave His whole body on the cross when He died for us. If you follow Jesus, and use the parts of your body to show God's love, then you are becoming holy as He was holy.

God's Spirit teaches us God's Truth and gives us the power to stand firm on God's Word!

"As obedient children, do not conform to the evil desires you had when you lived in ignorance. But just as he who called you is holy, so be holy in all you do."

1 Peter 1:14-15

Record in your journal your favorite thing you did, or saw, or ate today. Write down someone you would like to pray for.
