Devotion: Being a child of God is reason to celebrate! Sometimes we have problems or worries in this world, but nothing is too hard for God. Any trouble that we have here is only temporary; God's promises are forever! Put your trust in Him, and let Him anoint you the "oil of joy" (see Psalm 45:7 and Hebrews 1:9).

Children of Mexico
Mexico is in North America, just south of the United States. Tortillas are a staple of the Mexican diet, and they are usually filled with meat and vegetables. Many children in Mexico must help their families earn a living; they begin working at a very early age and often do not get the opportunity to go to school. Pray for their safety, and, especially, pray that they may come to know the joy of the Lord.
